REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach a stop block having one end of a spring attached at the right side thereof and having an engaging groove which engages a movable bolt on the right side thereof, as now set forth in claim 1. While it is noted that the previously cited references to Su 5,331,830 and Chang 2002/0194887 appear to teach stop block engaging grooves disposed on the right side of the movable bolt, they do not teach one end of the spring engaged with the right side of the stop block as now claimed. Accordingly, claims 1-4 are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Suzanne Dino Barrett whose telephone number is 571-272-7053. The examiner can normally be reached on M-Th 8:30-7:00.
